

EZC-USB

EZC wireless USB adapter

- **Tiny and lightweight – smaller than a full size SD card - 2.4GHz and 5GHz WiFi bands**
- **Enables Creative Cast for wireless presentation - Optoma Marketplace streaming and browsing***
- **Slots seamlessly into a USB port - Minimal protrusion on the ML1080 and ML1080ST projectors**
- **Use with smart projectors - Compatible with ML1080, ML1080ST, UHZ50, ZH507+ and UHD55**

Bring wireless presentation features to your projector with the tiny EZC USB. This wireless USB adapter enables the wireless features on your projector so you can display presentation materials wirelessly from a mobile device, laptop or Mac to your projector.*

The EZC-USB enables Creative Cast mirroring and casting along with Optoma Marketplace access for video streaming and web browsing on Optoma projectors such as ML1080, ZH507+, UHZ50, and UHD55.
