

ZU1100

Spectacular image quality, low maintenance and ultimate reliability

- High brightness WUXGA DLP laser projector -11,500 lumens
- DuraCore laser technology Up to 30,000 hours laser light source
- Dust resistant Independently tested, IP6X certified for total reliability
- Installation flexibility 7 interchangeable lens options including an ultra short throw lens

The ZU1100 offers enhanced features such as built-in edge-blending and warping and 4K HDR compatibility. Part of the DuraCore laser lineup, it combines a longer-lifetime light source and an independent IP-rated dust certification for ultimate peace of mind.

rated dust certification for ultimate peace of mind.

Delivering up to an astonishing 30,000 hours laser light source, this projector achieves superior colour rendition producing visually striking lifelike images with exceptional detail.

Designed for even the most complex professional installations, the ZU1100 offers seven interchangeable lens options including an ultra short throw lens for ultimate flexibility.
