

## **BX-CTADOME**

Ideal for planetariums, simulation, military and live events or where 360° projection is required

The BX-CTADOME lens is specifically aimed at the dome projection market and is simple to set up, delivering an immersive 360° projection on pop up or permanent curved spaces from a single projector with no blending required.

Ideal for planetariums, simulation, military and live events or where  $360^\circ$  projection is required, the BX-CTADOME is compatible with select Optoma DuraCore laser projectors.
